NEW STUDENTS WELCOME

Slovenska šola invites students of high school age and younger to enroll in classes, in which they will learn the basics of the Slovenian language.

Join us, no matter what your knowledge of Slovenian might be!

In July we had the pleasure of accompanying 14 recent Slovenska šola graduates to Slovenia. They attended the "Mladinska poletna šola slovenščine", and got the opportunity to explore and experience the country of their roots. It was an enjoyable and fulfilling three weeks for all! It would be our wish, and that of the participants, that the trip could be repeated in years to come by others. With continued enrolment, hopefully this will happen.

For over sixty years Slovenska šola has been providing the youth of the Slovenian community the opportunity to learn the Slovenian language. It would like for this learning experience to continue, but requires involvement of the current youth, and is willing to adapt to accommodate the changing community.

For those interested in enrolling and / or providing input please attend a meeting on:

Saturday - September 23rd, 2023 9:30 am **Large upstairs classroom**

[regular classes will start on Saturday, September 30th]
